

March 12, 1976

on page nine, the second sub-paragraph number three to be stricken is on page ten. It deals with a patient electing to be in the program or electing to be out of the program I think that since we are going to, as Senator Cope said have this bill and not have it, that there should not be use the words of Senator Burrows "phony" provisions in it like this where it appears to give a choice when in fact there is no choice. That is why I am suggesting that we go ahead and clean up at least this portion of the bill by striking this section. Then, that takes care of the whole problem. That is my motion and I hope that you will vote it up.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President, I think that the motion has been discussed basically and I would appreciate it very much if Senator Chambers would follow the spirit of the bill and provide those of us who are interested with a copy of the amendment. It is difficult enough to keep track of those amendments which are printed before us. I did him the courtesy before lunch of providing him with a print out of Section 19, and I would expect the same kind of courtesy from him. I think that we have decided the issue and oppose the Chambers amendment and I think that we should just call the question.

PRESIDENT: Do I see five seconds? I see five seconds. The question is shall the debate cease? Have you all voted? Record.

CLERK: 22 ayes, 3 nays.

PRESIDENT: There are no other lights on. Senator Chambers would you like to close debate? Wait, just a second. Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues. We just passed a very significant amendment to the amendment on this bill which...

PRESIDENT: State your point.

SENATOR SCHMIT: Did we or did we not....did you rule on whether or not we closed debate?

PRESIDENT: We did not.

SENATOR SCHMIT: Would you tell me how many people are on the floor?

PRESIDENT: 25, I don't know, it takes 25.

SENATOR SCHMIT: Okay, thank you.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues, we just had a very significant a very serious issue before us that we
